

BLS (CPR/AED) Certification Course

Wednesday, September 22, 2021

Program Description

This evening course will provide a local option for dentists and staff to renew or obtain Basic Life Support Cardiopulmonary Resuscitation (CPR) / Automatic External Defibrillator (AED) certification in a comfortable, friendly environment. Due to a limited number of mannequins and space, **attendance will be restricted to the first 12 registrants.** Attendees will receive 2.5 hours Continuing Education Credit.

Learning Objectives

- ◆ Certify attendees with a BLS CPR/AED Certificate — American Heart Association compliant
- ◆ Detailed instructions and demonstration on the operation of the Automated External Defibrillator (AED)
- ◆ Adult/child/infant BLS (CPR/AED)
- ◆ Adult/child/infant choking
- ◆ Basic first aid review such as allergic reactions, bandaging and bleeding, seizures, etc.

Speaker Joe Witz, EMT, Owner Illinois Safety, AHA Certified BLS Instructor

- ◆ Joe is certified to teach courses for the American Heart Association and the National Association of EMTs. He also teaches BLS at Illinois Safety in Warrenville
- ◆ A fulltime firefighter & paramedic since 2014
- ◆ Joe is also certified in technical rescue, rope rescue operations, confined space operations, hazardous materials operations, and structural collapse rescue

CDC/AHA Safety Guidelines will be met: 1) disinfection of mannequin before & after each use, 2) each attendee will be given the option to use a bag valve mask with instruction, 3) 6 ft. social distancing (when necessary, closer than 6 ft. and limited in time)

Attendee: Please cancel if you have a fever, other Covid-19 symptoms, or were recently exposed to Covid-19 w/o PPE (630-369-4600)
